# Remember

Darn that hair spray! My hair won't comb!

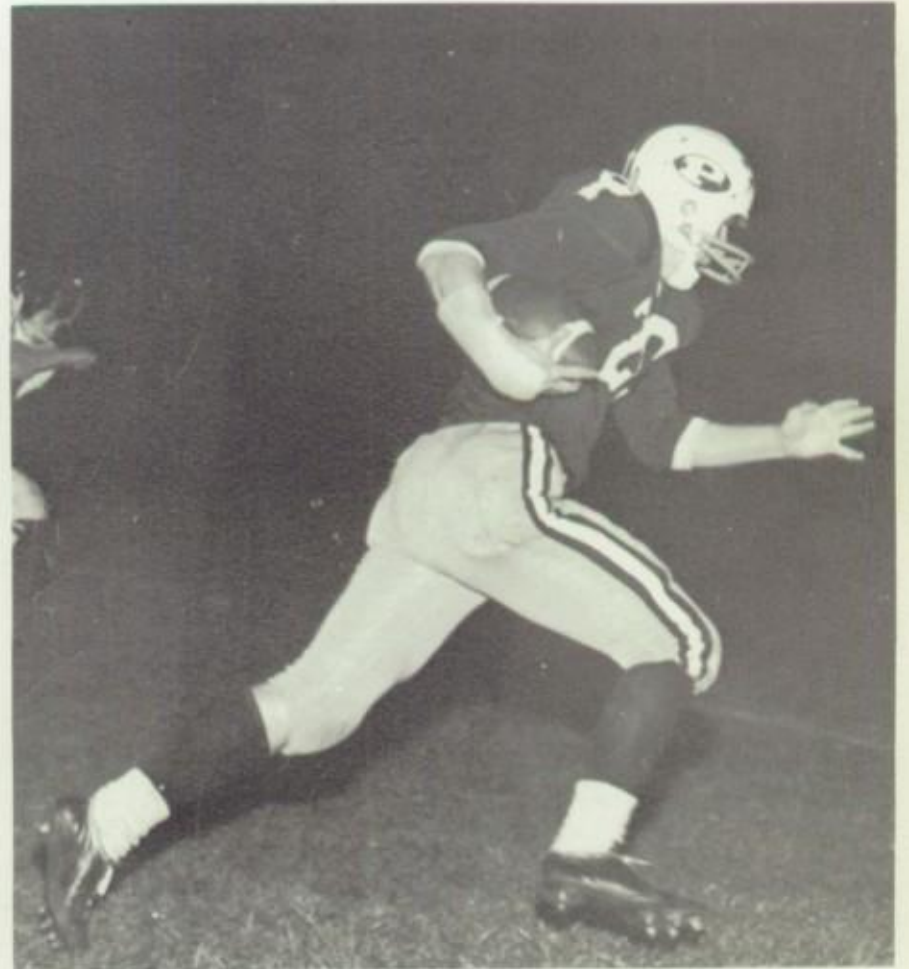

Remember. Look Back. Reminisce. Think about all the yesterdays that made today as happy as it is. Homecoming, floats, working until midnight, the royalty, the cheers, the tears, the trophy!

Don't just sit there, do something!

What'd you get so close for? I told you those 101's were longer.

The "Maroon Fly."

You've been hittin' the Corn Flakes again!

We've got the mug shots. Now all we need are the numbers.

This time when you pass the tree keep going!

You mean THEY'RE replacing the teachers?!!

The name of the game is football and you play it like this . . .

Remember the games, the cheering, the sign paintings. "We want a victory!" "All for Parchment stand up and holler!" "Go, fight, win!" Great wasn't it?

Now I KNOW it's here somewhere.

You said a mouthful. In fact, maybe two or three?

Remember the plays. "Profile!" "Louder!" "Let's run over it just one more time." "Step left and then fall, not vice-versa!" Remember the laughs and the punch lines. Remember the tears and sad lines. Remember the actors.

What do you mean 50 jumping jacks?!

A class of energy and . . .

You've got to eat between meals and during classes or starve.

One . . . two . . . three . . . Squeek!

Remember the prom, all the music and flowers, and special people.

Lollipops and lace,  
Dancing and dreams,  
Fantasy and Fairylands.

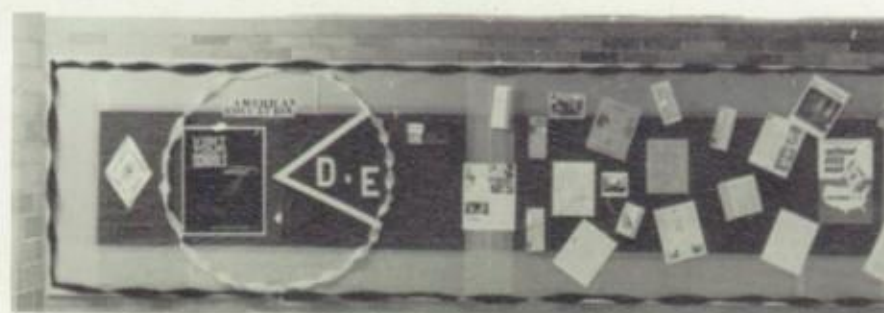

Remember then, remember when, remember, remember, remember. . .

# Music in the Air

The vocal department is composed of three different choral groups. The Mixed Chorus is a nonselective group composed mainly of underclassmen. The Concert Choir is a selective group based on an audition in the previous spring. It is the robed choir of the school. The Choralaries is an extra-curricular ensemble which meets before school. The size of this group is limited to about twenty, with admission based on an audition by the choral director in the fall of the year.

All three groups performed at a Christmas concert and a Spring concert in May. The Concert Choir also participated in an exchange concert with Bangor. The Choralaries performed several times outside of school as well as combined with the Concert Choir for commencement.

# Co-op

Co-op was a very popular organization this year. Students with enough credits work in jobs in the community for half days. These students gain valuable information by "learning and earning". The group was advised by Mrs. Lee.

In the spring at the Co-op Employer-Employee banquet, the Co-op invites his employer to dinner and awards are given to outstanding employers. Each Co-op student receives an Achievement Record Book.

# Perennial Persistence

Present King and Queen, Bruce Kroeze and Laura Shepherd.

Past King and Queen, Cheryl Pager and Bill Tuinier.

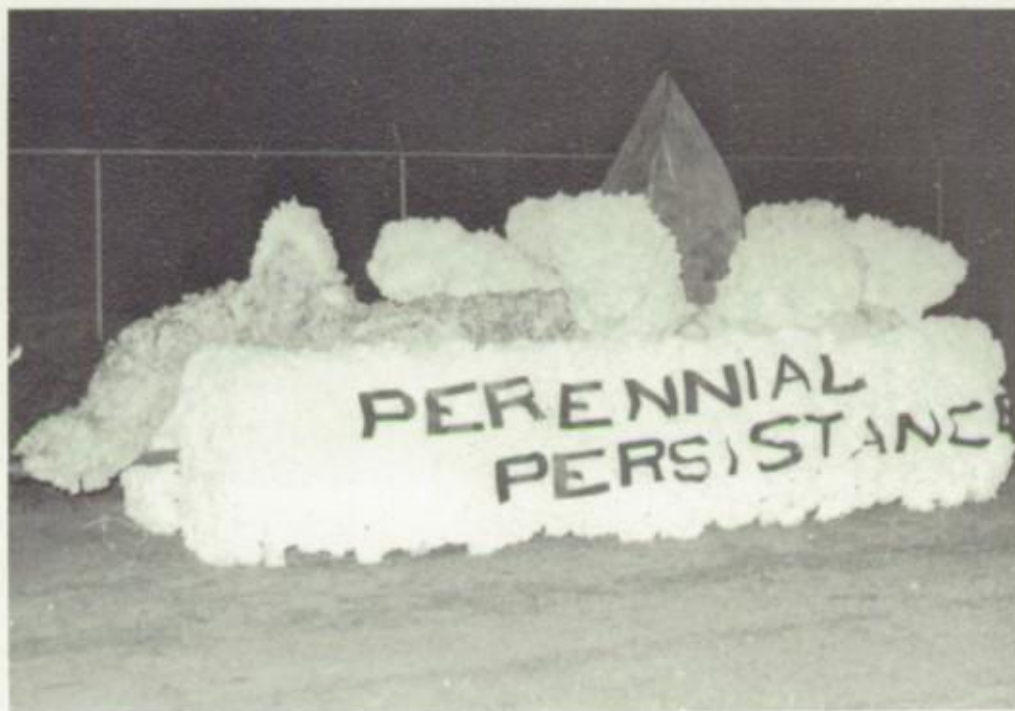

Parchment High School's 1967-'68 Homecoming was indeed one of persistence. The Panthers persisted in winning the game against Fennville, 31 to 7. The Junior class retained possession of the Homecoming Trophy for the second year by capturing first place in every event. The court with Queen Laura Shepherd and King Bruce Kroeze was never more charming. The final episode, the Homecoming Dance, was a wonderful ending to a wonderful week at Parchment High.

Future King and Queen? Julie Krueger and David Burgess.

## They know what it's like

The many young people at Michigan Bell join in congratulating the members of the graduating class. They know what it's like to work hard for a diploma, and get one.

They know, too, what it's like to want a rewarding job with a future, and find one. If you think you might like to join them, either now or after college, do stop by to see us. We'll be happy to discuss the wide variety of career opportunities in the exciting field of telephone communications.

## The next best thing to a Fulbright

The most difficult problem the majority of students encounter in their education is not academic. It's financial! More and more students need financial assistance to help counter the rising costs of an education.

Since an education is essential to your future, don't be left out. Instead, drop in at First National and let's talk about financing your education with a low-rate bank loan. First National offers terms to best help each student with his or her studies. It's really the next best thing to a Fulbright Scholarship!
